SOUTH AFRICA (LIMPOPO PROVINCE) 2012 BOWHUNTS

LOCATION and HUNTING AREA

TW's Northern Province bowhunts are conducted just 2 ½--4 hours' drive from the Johannesburg Airport, depending on the concession hunted, by a Safari Company that knows bowhunting and what it takes to produce consistently successful bowhunting safaris and happy clients. **Bowhunts are conducted on various concessions totaling thousands of acres, providing diversified habitat and the widest possible variety of Africa's most beautiful plains game. TW is always seeking new concessions to ensure that our growing client base continues to receive the very best in trophy quality and the "total African experience."** Living quarters vary from modern lodges to roomy chalets. All accommodations are clean and comfortable with private "bath on suite" equipped with showers, flush toilets and hot and cold running water. With the proper converter, video camera and other batteries can be charged in camp. Menus consist of a 50/50 mix of game and domestic meats, and the cuisine has a definite African and European flavor.

Terrain over these 30-plus square miles of prime wildlife habitat varies from riverine to bushveld. Game populations are high and trophy quality is exceptional. The variety of bird life in this region is staggering, and is enjoyed by many non-hunting observers accompanying our clients. **Trophyseekers Worldwide books "bowhunting only" concessions in virtually ALL situations. The only exception to this policy occurs in some instances where TW attempts to obtain a certain rare or not easily obtained species for specific clients, and we must hunt them where we find them and can obtain quota.**

PRICING: Economical Trophyseekers Worldwide 2012 Daily Rates and Trophy Fees are provided below. TW provides superior trophy quality and memorable African experiences by limiting the number of clients in each camp.

2--3 HUNTERS: \$350.00 PER PERSON / PER DAY 4 HUNTERS: \$300.00 PER PERSON / PER DAY
NON-HUNTING OBSERVERS: \$170.00 PER PERSON / PER DAY

Daily Rates include: Lodging in a clean comfortable camp, laundry service, great meals, soft drinks, beer and wine in moderation. Services of a great Professional Hunter, skilled trackers, skinners, hunt transportation and bowhunter ready blinds are also included.

Daily Rates DO NOT include: Gratuities, trophy fees, raw prep, crating & shipping, off-ranch side trips, liquor, VAT or airport shuttle (\$145.00 per person...round trip).
