Pronghorn Antelope

Our outfitters hunt private leases where trophy class antelope live. Clients routinely take bucks in the 14" - 16" range that score in the mid to high 70's. And each year, several 16" - 17" bucks that crack the magic 80" barrier are taken. This is an excellent chance to take a Boone & Crockett goat, and that class of pronghorn is taken here almost every season. Taxes and tags not included in the hunt price.

Prices range from \$2,450 to \$3,450. (Price based on Area Hunted & Draw)

Rocky Mountain Elk

TW's Outfitter is without doubt THE premier elk hunter on the southwestern U.S. Elk Outfitting scene, perhaps the best anywhere! He operates out of comfortable camps in northwestern New Mexico, and across the border in southwestern Colorado. Several bulls are taken each year scoring over 300" B&C with a 70% - 90% success on mature 5X5 and 6X6 bulls. Our outfitter has great bowhunts with high success on shot opportunities for P&Y bulls. Excellent mule deer bucks are taken each season on this outfitter's Elk/Mule Deer combination hunts. Prices range from \$2,750.00—\$6,950.00
